THE HISTORY

The Cannery was a centerpiece of the Sun Prairie community from 1901-2001 as the Oconomowoc Canning Company. It was a place that could not be forgotten. Destined for a new life, the Cannery was resurrected with a new vision for a place of entertainment, great food, and most of all a comfortable setting.

Not only has the Cannery evolved as one of the most inspiring restaurants here in Sun Prairie, but also created a warm and comfortable atmosphere to bring together a blend of old and new customers. This vision has now been created and even exceeded these goals. So come in and experience a piece of Sun Prairie's history while relaxing, enjoy tasting wonderful food, quenching drinks and laid back atmosphere. All of us here at the Cannery welcome you and your friends and family.

A special thank you to Bruce Faanes for photography of memorabilia and building.
