THE CARNIVORE CHALLENGE

Pushing 4 pounds, this behemoth sandwich is staring you in the face begging for you to attempt to eat it. We took everything good out of our kitchen and put it on a bun. 2 hamburgers, a bratwurst, grilled chicken breast, pulled pork, ham, turkey, corned beef, roast beef, 10 slices of bacon, every cheese we have in house and topped off with a fried egg. Finish this burger and a choice of side and we will put you in the books.

RULES

1. You have 45 minutes to finish the entire sandwich plus a side.
2. No Sharing (Despite what your mother may have told you sharing isn't always good)
3. Leaving the table while eating the sandwich will get you nothing but disqualification.
4. Have Fun, again don't listen to mom, play with your food, but once it enters your mouth we really don't want to see it again.

If you complete the challenge, with manager approval, then you will be rewarded with a Cannery Grill Carnivore Challenge T-shirt, a gift certificate for a free specialty burger and your picture on the wall of fame. If you fail, you win the right for us to harass you, call you names and put your picture on the wall of shame! 19.95

THE HISTORY

The Cannery was a centerpiece of the Sun Prairie community from 1901-2001 as the Oconomowoc Canning Company. It was a place that could not be forgotten. Destined for new life, the Cannery was resurrected by our four owners, Lynn Haker, Paul Nooyen, Bob Walgenbach, and Dave Gilbert, with a vision to bring the Cannery back, but with a new purpose.

That was to be a source of fun and entertainment all while creating a warm, comfortable atmosphere that would be a blend of old and new. Well, their vision has now been realized and even exceeded their original ideas. So come in and experience a piece of Sun Prairie history while tasting our wonderful food, delicious drinks, and fantastic service.

A special thank you to Bruce Faanes for photography of memorabilia and building.
